County and Township Affairs.

By SMITH of Des Moines.

A BILL FOR

An Act to repeal Chapter two hundred two (202), Code 1946,
relating to county limestone quarries.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Chapter two hundred two (202), Code 1946,
- 2 is hereby repealed.

EXPLANATION OF H. F. 399

This law was passed during the days of W.P.A. as a measure to stimulate the employment of labor. At that time there were only a very few privately operated limestone quarries in the state. At the present time there are many privately owned and operated limestone quarries, in some instances two or three quarries in a single county.
